- ✓ Counseling and case management services

## 13

COMMUNITY ORGANIZATIONS RECEIVED GRANTS

## 6650+

WORKSHOP PARTICIPANTS & INDIVIDUALS COUNSELED

## \$5M

FUNDS DISBURSED

## Workshop and Counseling Topics

## Lessons Learned

Emergency response, disaster preparedness and personal resilience

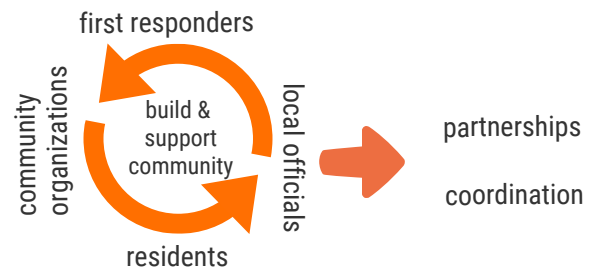

Homeowner support and housing counseling

Adult literacy, youth education and financial counseling

Mental health, survivors' support groups and disaster case management

Translate outreach materials into local population's languages; offer services in different languages

Disaster response and resilience building activities can be an opportunity to respond to longstanding environmental and economic issues
